The Lady:

Patricia is well built with a powerful rather than a fat physique and she looks amazing for her given 52 years of age. She has a handsome face and ready smile. her English is faltering but we were able to make ourselves understood and many things don't need discussing.

The Story:

I had a nice shower and was then wrapped in Patricia's arms for a welcome bout of kissing and fondling.

We then lay on the bed getting up to anything the other one wanted to do.

Patricia made her body available to me while getting on with pleasuring me as well.

Eventually we moved on to penetration and I took her from behind and we were able to engage in a very physical encounter with Patricia appearing to cum.

Patricia is remarkable for her age and I found her a very involved and positive partner.
