The Premises:

A clean upstairs flat in a block about a 5 minute bus ride from Woolwich town centre towards Blackheath. It was clean inside.

The Lady:

Alas, not the girl in the photos, but she was young, dark haired and slim with C cup breasts. She was also very friendly and didn't rush me.

The Story:

Despite not being the same girl, the session was fine. It started with covered oral and it was very well performed too. This was followed by sex in the doggy position.
