The Premises:

West End neighbourhood. Clean well appointed flat. Clean fresh smelling bathroom.

The Lady:

In a word-- gorgeous. Lovely and lithe. Long beautiful hair. Great body. As others have said, the pictures don't do her justice. Dressed beautifully.

The Story:

Initial contact was through Alex's site. She responded in good time and before long we had set a date and time that was mutually convenient. In the intervening period I sent Alex an email with some ideas, desires and limits for our session. It was apparent she had read it quite closely and completely during our initial chat. I was very nervous in the beginning but Alex put me at ease quickly. I had chosen to play with Alex because she is a switch as am I, but I had no desire to be anything but submissive during our time together. I have to say I never once got a glimpse of anything but her very controlled, confident and dominant side.

The session was a mix of things I had some experience with as well as some new things. All limits respected and several boundaries pushed.

Overall a mind blowing experience that had me floating through the rest of the day.
