The Premises:

I have been to this place before and walked out then, I should have done it this time. It is used by more than one SP, with another one maiding. It's just about OK if you really like the lady.

The Lady:

Bait and switch, nothing like the lady on the website, who claims to be Indian, this girl said she was from Dominica, quite chubby, with cellulite on her bum, she had shaven, but not the day I saw her.

The Story:

Why didn't I walk? I didn't find her attractive, but went ahead, she asked me for an extra £20 for OWO which was not on her profile, she didn't kiss either. The oral and sex was just about OK. The best bit was the massage after I'd had a wank! avoid this location, next to Morrisons.
