A top floor flat in a council block situated very near Whitechapel tube station. It has a discreet buzzer/intercom entrance and there are shower facilities inside.

The Lady:

Exactly as the photos. A young, dark haired Hungarian girl with lovely full & firm breasts.

The Story:

This was the same flat I visited Kendra at, but in a different room. Once again I had a very enjoyable experience. I opted for a tantric massage. Body to body has never done that much for me, but I think it may be available if you prefer that. The oil massage was performed on a massage table and it was very sensual with light pressure. The room was very dimly lit and there was relaxing music playing in the background. When I laid on the table, Helena still had her bra on and I was thinking topless may not be available. Magically, when I turned over she'd removed her bra and her breasts had oil on them. She was wearing track suit bottoms, but that didn't bother me. Her breasts were so lovely and firm and I had a memorable few minutes playing with them while being slowly masturbated. A couple of minutes later I exploded with glee! I had a shower before leaving the flat.

I believe other girls work here so I will probably return soon.
