The Lady:

Very pretty lady description and pictures accurate. For a more curvy natural lady Gemma is your lady!

The Story:

I was slightly nervous as I always am when seeing a lady I have not meet before. Gemma showed me to the room asked me if I would like a drink and put the shower on for me instantly I felt at ease she was a lovely pleasant lady.

Gemma returned entering the room with a beautiful smile and took off her white overall to reveal her beautiful curvaceous body and I must add amazing breasts!

We started with a massage Gemma then went on to massage me with those amazing breasts I felt her nipples harden as she continued heaven! I turned and immediately felt those breasts all over me and my now hard cock. Owo it then was and all I can say is woooo I exploded all over those big tits! Thank you Gemma for putting me at ease I will definitely be back next time for the hour.
