The Premises:

Ego is well run, clean and tidy. Free parking immediately outside for 2 hours. As always a very warm and friendly greeting from Millie who always sees things are well organised and almost feels like an old friend.

The Lady:

Sasha is a young lady in her early 30's. She is of mixed race with quite a dark skin. Perhaps it is my age or perhaps I was just more interested in what was underneath but I honestly can't remember what Sasha was wearing although I would imagine it was the usual brief tunic. However underneath she had on very brief black underclothes which came off quickly. Sasha has a body with curves in all the right places and particularly nice breasts which I was somehow drawn to. She obviously looks after her body which she keeps in trim. Also easy to get on with and as I had not met her before I felt quite relaxed with her.

The Story:

I live quite a way from Ego and it usually takes me 2.5 hours to get there. Luckily I had allowed plenty of time as there were 3 different delays on my journey which took me 4.5 hours and I arrived a few minutes before my allotted time feeling quite tense because of the delays. I started off laying face down on the massage table. Sasha is very skilled in massage and proceeded to work on my back and legs and very soon I felt much more relaxed. Her hands on occasions slipped underneath my body in between my legs at the top in the most sensual of ways. I was already aroused just by looking at her and her hands certainly added to the sensual experience. Then it was time for the body to body. Wow, Sasha certainly uses her breasts to really great effect rubbing them up and down after getting on top of the massage table. I then heard the magic words and it was time to turn over. I got a better view of Sasha and she is really gorgeous. So this time she massaged the front on my body before again doing her fabulous body to body massage. Very sensual and I just could not last any longer after gentle strokes with her magic hands. After cleaning up and a shower I left very happy and relaxed. I will definitely be back to see her but because of the distance unlikely to be until next year.
