The Lady:

A slim shapely woman in her late 20's with kissable lips and a pleasing womanly figure. Jodie has a lovely smile and has just (last week) had her tits surgically enhanced to double 'G' (she was previously a 'C' cup).
She has long light brown hair with blonde highlights.

Meeting Jodie is a pleasurable experience not to be missed ... she is Sheffield's best kept secret.

The Story:

From my previous reports on this website ... you have probably gathered that I find tall slim busty white Northern English lasses very appealing.

Women from Sheffield; Manchester; Leeds and Preston are extremely attractive and fun to spend time with.

I find white English girls under the age of 35 drop dead gorgeous anyway. Don't take my word for it ... go to one of these four Northern cities a feast your eyes on the beauty which surrounds you.

They revel in their femininity and it shows.

English women carry themselves with a demure but confident stride as they walk along the street, which makes them highly attractive and confident in a sexy way.

Jodie is a 28 year old hidden gem, she is about 5'6" tall.

I have seen her several times over the last 18 months ... and she just gets better each time I see

her.

I just love her voice with that delicious Yorkshire accent (Northern English accents are sexy anyhow).

She has a lovely smile and a down to earth personality which puts you at ease as soon as you meet her.

Jodie has a very slender womanly figure (and has lost a bit of weight since I last saw her in July this year (making her much tastier than she was already))

Her new 34 'G's are well crafted (the plastic surgeon did a fine job).

She kisses (but not with her tongue) ... and is worth spending 10 or 12 minutes kissing and rolling in your arms on the bed to warm-up before the actual shag.

She tastes lovely too.

She reminds me of a girlfriend I had from Leeds approximately 15 years ago (that is why I keep going back to see her again).

Jodie looks amazing in the mirror when she is wrapped around me in the cow-girl sex position.

As I left the parlour I commented to the receptionist how lovely Jodie was and her reply was: ...

... "Yeah ... if I was a bloke I'd give her one ...!!"

Definitely worth seeing
