The Premises:

Clean and discreet in most respects. Seems like quite a well run establishment as we've come to expect from HOD.

The Lady:

Very stunning raven headed beautiful dusky young lady. As fit as a butchers dog.

The Story:

All in i found the experience reasonable although no owo ? Nevertheless i continued in order not to disrupt any flow of the punt. I kind of knew it wouldn't be extremely memorable as on first orders i was offered a massage which i don't quite see the point of as it's a waste of time when much more interesting things could be happening. She started to query a few of the positions that i tried to lead. I was the first of the day i think and there could be a multitude of reasons for the lack of spark but i left the premises having caught a glance of Valentina wondering if i had made the wrong choice !

Marissa is lovely and we had a great chat and the banter was good but the punt didn't quite quench my thirst !
