### The Premises:

Semi detached house in the middle of an estate close to Sandwell Hospital. Lots of on street parking. Tiffany requests that you park away from the house and walk up.

### The Lady:

Slim, sexy, dark and sultry. Tiffany has that ability, not possessed by many to look beautiful and sexy in any clothing, or lack of. She has breasts that need no support, a shapely figure and legs that go on and on.

### The Story:

I have visited Tiffany before and having had such a wonderful time I decided to visit again.

As I already knew the way getting there was easy despite the traffic at M5 Junction 1. After entering I received a warm welcoming hug before Tiffany led the way upstairs, again causing some action in my trousers as I followed those legs and that bottom. I was offered a shower but as I had taken one before travelling to the meeting I declined. The bedroom was welcoming being warm and lit by several candles. As soon as the formalities had been completed I could not keep my hands of that gorgeous body and after undressing each other we fell on the bed for some mutual caressing and kissing. We then moved on 69 and I hope she enjoyed it as much as I did, as she again demonstrated her incredible oral skills. Eventually I had to call a truce as I was desperate to enter her. We tried missionary but then switched to doggie which was better for both of us as I am much taller than she is. I had forgotten how tight Tiffany is and once inside you feel she is never going to let you go. After the event I took a quick shower whilst Tiffany made us both a mug of tea. Tiffany makes the visit better and easier by her ability to hold a conversation and being easy to talk to.

Anyone looking for an exotic, erotic experience should visit Tiffany as they will not be disappointed. She is a top class escort who has all the skills to make a visit a memorable experience.
