The Lady:

Relatively tall, very naturally pretty Latina girl. Clearly keeps herself in great shape. Better looking in Person.

The Story:

Valentina turned up on time and looking absolutely gorgeous. This was not my first time with her as I met with her last month. Again Valentina exceeded expectations. The time flew by and therefore I may need to book longer next time. More expensive than the average, but then Valentina is not average and definitely worth it. She is very generous and attentive. A classy young lady who will not fail to disappoint. Once again thank you Mega Models for organising my meet with Valentina.
