As previous reports. Perhaps a tad older than some suggestions, but very pretty, lovely slim figure and long legs.

The Story:

If, like me, you had read earlier accounts and were a bit suspicious that there were so similar (whole phrases being identical) and perhaps were fake, don't be put off! Fake or not, the lady herself is genuine enough. She makes you feel relaxed and like old friends from the moment she opens the door to the moment you leave. She seems to love to give head, and within minutes of our entering the bedroom she's dropped to her knees to welcolme me in true style. She then stripped of her dress, and a good kiss and cuddle ("girlfriend style") followed on the bed with her dressed only in her basque, stockings and high heels. In due course I straddled her chest as she lay on her back, and she enthusiastically sucked on me until I come in her mouth. A period of cuddles and chat followed before she again went down on me to give great pleasure with sucking licking and deep throating before again I came in her mouth. Our time was rather curtailed for personal comitments, but I intend to return soon for a longer visit, and to enjoy perhaps other parts of her body than just her mouth, (if you see what I mean.) A great lady, to be treated well and with respect.
