### The Premises:

A modern flat in a private block with intercom/buzz in entry. It was about a 4 minute walk from Whitechapel tube station. It had bath/shower facilities inside.

### The Lady:

Exactly as pictured except for the glasses. Nice slim & busty figure with 32D/34C, natural and firm breasts.

### The Story:

A bit of a mixed session. I don't take a lot of notice of these profiles as I think they're written by an agency. The bit saying she will greet you dressed well turned out to be a black tee shirt and blue jeans. I wasn't that bothered because it's what's underneath that is more important. I booked a 30 minute session on the phone, but her first question to me was "do you want any extras?". I didn't but I think that set the tone. I was also aware there were other people in the flat. I took up her invitation to have a shower and upon re-entering the room I laid on the bed while Eve took off her jeans to reveal her light blue knickers. She then began to masturbate me so I asked to see her breasts. I was fully expecting her to say "that will be extra", but she took her tee shirt off to reveal her ample breasts contained in a black bra. She commenced masturbating me again so I politely asked if I may see her breasts.

She then took her bra off to reveal her lovely full breasts. If I hadn't I'm sure she would have just wanked me off to get me out the room. I didn't want to push it further so I just enjoyed fondling her breasts while she slowly brought me to orgasm. I gave my yes rating on the basis of her being attractive with a good body and the lovely flat. She was fairly friendly, just very business like. I think you would get a fuller service if you were to book an hour or pay for extras.
