The Story:

called in as was passing and was introduced to all the ladies available - after this there was only one choice to make and that was Tanya

paid £40 to the friendly receptionist who then showed me to the room - the receptionist said I had made a good choice as in her words "Tanya is a very dirty girl - she does everything and I mean everything"- this was accompanied by a wink :)

I hope you are ok with this description Tanya :)

during my shower Tanya entered and we spent a few minutes chatting and getting to know each other - she is very friendly but not too mouthy - just right

we were soon both naked and Tanya started with some deep OWO - occasionally she would look up and straight into my eyes- with a big smile on her face

she then repositioned herself so I could play with both holes as she continued the OWO

apparently Tanya has only been doing this for about 4 weeks and this showed when she struggled in applying the condom and so she asked me to help her

she then climbed on top and I entered her - while she rode me she leant forward so I could get a nice mouthful of those breasts and nipples - coatpegs spring to mind

after a while I asked about anal and Tanya said " ooh yes I would really like some of that - but I am really sorry but it will cost another £30"

what a girl - apologising for charging extra for anal

Tanya offered anal in 2 positions and I opted for doggy- so Tanya positioned herself and I stood at the end of the bed

Tanya then held her buttocks apart with both hands so I could line my self up - she then said "right push hard and I am sure it will go in"

within 10 seconds I was balls deep in her arse which I proceeded to pound for the next 10 mins or so

during this Tanya told me how much she loved anal and also about some of her anal adventures at one point I am sure I was not doing her - rather that she was fucking me with her arse at no point did she ask me to stop but was genuinely moaning and thanking me - but eventually I came so we had to stop

Tanya then cleaned me up and we spent the rest of our time having a chat

what a lovely girl / what a service especially from someone who has only been in this game for a few weeks

on my way out I spoke to Tanya and the receptionist and asked if it was ok to post a review

Tanya said "oooh yes that would be nice - thank you" so I then asked how much detail I should include

Tanya replied "tell them absolutely everything and don't forget the anal"

I can thoroughly recommend this lovely girl - thank you tanya
