The Premises:

Establishment is always safe, clean, secure and easy to find.
Car parking facilities perfect, less than 10second walk to building.
Maid extremely helpful throughout whole booking process, thank you.

The Lady:

Angel is perfection, tall, slim, amazing bum (coming from an bum guy) however has the most beautiful tits I have seen. Natural large boobs with the most perfect colour to them. (Weird description due to myself finding my perfect girl)

Angel was exactly like her photos and did not disappoint! Highly recommend!

The Story:

I had a duo massage with the incredible Mia alongside Angel, it was my 4th seeing Mia however had to have Angel due to her pictures, best decision I've ever made, Mia is flawless, perfect girl who you can talk too and still have the most sensual massage of all time, however Angel added to that being my ideal woman in her figure and very attractive. Both girls technique was incredible and the expirence was perfect.

I thank both girls for an amazing evening and I highly recommend both. I will be back to see each individually.
