Sophia is a stunning, 36 year old white curvy woman with shoulder length brown hair about 5' 8" dress size 16/18

she is intelligent & very friendly with a great sexual appetite

Sophia is a prolific squirter/gusher if you push the right buttons & also really enjoys "level" & B / J s with cum in mouth as well as spanking both ways

A shower was offered before & after & she is not a clock watcher

She makes you feel special

The Story:

On arrival Sophia was dressed in a pretty blue floral dress & sexy ankle boots as I followed her up the stairs I could see she was wearing stockings & suspenders & this was confirmed as I ran my hand from her gorgeous sexy bum down her thighs I felt her suspenders (so sexy)

Once in the flat I was offered a shower & the paperwork was sorted, we then kissed & cuddled & ran our hands over each others bodies , as I ran my hand up sophia's dress I discovered she was without knickers & already wet ,at the same time Sophia opened my zip & she discovered that I was also 'comando' & starting to grow . Sophia bent down & sucked & worshiped my cock .

After some time I removed all my clothes & sat down to watch Sophia undress , I instructed her to lay down on the bed & play with herself with fingers & toys to bring herself to an orgasm squirting across the bed .

It was now time to inspect her body with my hands & mouth

I sucked her breasts & made my way 'down south' ,I located her clit & played & sucked on it while pushing my fingers in her pussy , making her come again. I then offered up my manhood to her mouth which she eagerly devoured.

After some time Sophia was instructed to get on all fours to allow me to indulge in some 'doggy' play , a condom was fitted , lube applied I then slowly entered the anus , she is very tight , more squirting WOW

I fitted a fresh condom to finish off in the pussy , when i was ready to cum I withdrew & came on her mouth & breasts

I had to lay down to recover after , which gave Sophia the chance to squat on my face i was in heaven!!!

after we both showered we lay in each others arms chatting

Sophia never looked at the time

I left a 'happy man' & will return
