The Story:

Like all oriental girls, Kiki gives really good service. There are some things she won't do... services are covered and there's no GFE, but she is so lovely to look at that it doesn't matter at all. She doesn't have a lot of English, but that's no barrier either. It's a bit out of the way as locations go, but well worth the trip to the Surrey/London borders. Tried sex in a couple of positions, as well as oral. Had no problem in cumming. You won't either.
