### The Premises:

Easy to find, good parking. Excellent, clean inside - like a spa.

### The Lady:

Stunning. Tall, slim, toned and very friendly

### The Story:

First time at Ego and at this sort of place, more used to Annabella's and MKE.

This was a mind blowing experience - excellen, oily massage, relaxing and yet exciting.

Delicate fingers and hands teasing my balls when lying on my front, my cock rock hard by the time Sasha asked me to turn over onto my back, the body to body experience was so erotic.

Hand relief was unusually explosive. Didn't know what to expect from this - in some ways better than the usual suck and fuck. The relaxation of just lying there while a stunning woman teased and satisfied me was amazing.

Sasha was the perfect companion.
