The Premises:

Easy to find with free parking nearby on weekends. Flat is small and barely furnished. Very small bathroom and shower

The Lady:

Pics are heavily photoshopped and she is nowhere near as good looking in the flesh. Quite plain, wouldn't look at her twice in the street.

The Story:

Rubbish. Another Romanian waste of time. She was disinterested from the start, kissing was just pecks and oral was covered. Not easy to talk to either so I left after 30 mins. If you're reading this and interested, don't bother, go somewhere else
