The Premises:

lovely house on hill. room was at top on 3rd floor. oak floors etc. really nice place. safe location. I'm not from Bath but can imagine it may not be most discreet place in rush hour. but at night totally discreet as town is so quiet.

The Lady:

stunning Romanian blonde. perfect figure. absolutely lovely to look at. great fake tits and fantastic arse. greeted me in bra and mini skirt. getting hard just remembering her.

The Story:

nice time with hot chick. not the greatest performance but very willing. she stripped off and went straight for owo while looking into my eyes. so sexy. kissed her tits and did a little oral on her before entering doggy style. what a view. she turned and looked at me throughout in such a sexy way i came quickly but it was worth it!

would have extended for the hour if the start was a bit better with more chemistry but thats just my preference. wish she was in London as could re visit her again and again on looks alone.
