The Premises:

Easy to find apartment - Maid provided accurate directions and seemed professional. Premises was dingy for my liking so won't return. Didn't see any bathroom facilities (whilst there may have been some) so didn't fill me with confidence from a hygiene perspective that there wasn't a suggestion for me to shower before the action (not that I think I needed to).

The Lady:

Photos on the site seem a reasonable reflection, although not much visible given face is blurred out so not much to go with. Described on the site as 23 which Louiza would have been at some point, but not now. However, she had a great rack, decent arse and otherwise very friendly demeanour. Put me at ease straight away, and was suitably open. Only Louiza's second week at S&S and she was enthusiastic throughout.

The Story:

On reflection a decent punt. Paid for an hour as wanted two shots which was not going to be available in a half hour booking. Didn't want to stay the full hour so left after half an hour anyway. Covered oral to completion followed by doggy to completion. Overall though I wouldn't return because style of location isn't to my liking.
