The Lady:

Apple is a beautiful young woman who I have visited several times over the past few months. I decided it was about time I submitted a review on her. In appearance she is everything I want from a woman, being oriental, slim figure, very pretty, and long slender legs.

The Story:

Not only is Apple beautiful and sexy, she is also warm and welcoming. She has such a kissable mouth, and enjoys kissing too. Her oral skills are wonderful, and she in turn tastes so good. Sex, in whatever position, is so enjoyable. I really adore her, and will see her many more times in the future.
