The Premises:

Described very many times, including by me a couple of days ago. New website (blueicebabes.co.uk) doesn't, regrettably, have these two WGs on it, but I'll try and describe them. The price consisted of a basic two-girl @ £80 + £10 each for OWO. I believe that there is currently a price-reduction to £40 for a basic service with one WG, with all "extras" charged on top of this. As my last Review, of Ashley, indicates, I opt to pay the longstanding charge, with just OWO "extra".

The Lady:

My second visit to Blue Ice in three days, I'd gone along to see Ebony (the pleasure of whom I'd first had in a 2G with Ashley around six months ago). However, longstanding shag-buddy Terry had popped in unexpectedly to say hello, so I asked if she was up for it, specifically a 2G with Ebony, and she enthusiastically agreed. The wallet just about stretched that far.

Ebony is a London-born black girl, who usually works here on Fridays. She is in her late 20s, and at some point, I believe, has lost quite a bit of weight. She's now about size 12, fairly tall and with a pretty face and long dark hair. She has nice long legs and lovely dark nipples. Terry is white English, a little more cuddly - not fat - and has gorgeous large boobs. She is normally available on Mondays, I think. However, the great thing about these two is the sheer no-holding-back enthusiasm that they bring to an encounter. Both are members of the informal group known by me as the Elite.

The Story:

Ebony is easily one of the best Afro girls whom I've ever had. She's right up there with Mischa / Farah Delainey of old, and Terry can always be relied upon to give everything in pursuit of a truly satisfying session. They worked exceptionally well together, and we repeatedly did turn-and-turn-about with one giving OWO and the other giving DFK, then changeover. I cannot speak too highly of their skills: both OWOs were deep and with skillful use of tongue, and both DFKs were also deep and utterly uninhibited. They are both tight and juicy, Terry in particular being very wet even before we'd started! A lovely friendly massage and chat to finish, then on my way a happy punter. They had been most responsive to my needs and filthy desires, and had worked sensitively to satisfy them. Both can play a sub. role and take a light bottom-smacking should that be required - or

should they deserve it!

Another strong recommendation.
