The Story:

Great massage service at excellent value. Highly recommended.

Entered large room and invited to show which I did. Came back and asked to lie on massage table. Had warm oil massage on table for 15 mins with few credit card swipes and ball ticking. Lady was fully clothed.

Then invited to lie in bed for body to body as she stripped off to her knickers only. Lovely feeling of large breasts on back and rubbing of groin against me. Turned me over and dry humped me to completion with knockers on. Nice sounds not too fake.

Rested for while and she worked on my legs still face up and then wanked me off this time while she pulled her knickers aside for me to rub her clit. Came again after turning down oral for extra money. Showered and left.

Although her English is lacking she tries to communicate and is very friendly. Great massage experience especially for 2 pops. Highly recommended.
