The Premises:

Nice flat in/by a shopping area in MK. Plenty of parking (50p per hour).

The Lady:

About 5'8 height wise. Fantastic pair of large natural breasts. Quite slim as well considering the size of her chest!

The Story:

Spent 45 mins seeing Kamy. Nice, friendly Romanian lady. Not been in the country very long so her English isn't brilliant, but she knows enough to get by with.

If you are a man who likes large natural breasts on a slim woman (as I do), then its well worth paying Kamy a visit as she has a great pair. Lovely weight to them when getting hold of them! Shes very eager to please and wants to make sure you have a good time.

Did nice oral on me in a slower and more gentle style, which I prefer. Happy to kiss too. Started with her on top and then switched to missionary. Massage and chat to finsh. All in all had a good time.
