The Premises:

Louisa's flat in Soho feels like a boutique hotel; spacious, classy and very nicely appointed. The bedroom is massive and has a large four poster bed, along with other furniture than can be used imaginatively ... The bathroom was spotless and lots of nice toiletries on offer.

The Lady:

Perhaps it's a tired cliché, but Louisa's photos only convey a fraction of her beauty. She answered the door wearing a red dress that clung in all the right place, and with a very devilish smile on her face. Her figure is slim and toned, with smooth, sun kissed skin.

The Story:

Louisa is undoubtedly passionate about BDSM, and sessioning with her is a really special experience. In advance of our meeting, her emails were professional and prompt, and Louisa seemed genuinely interested in learning as much as possible about my kinks. As a result, even before we met, I felt i was in safe hands, which was reassuring to someone who has only recently discovered the joys of kinky sex. In person, she was very welcoming and warm, and we had a chat at the start of the booking about the specifics of the role-play I was after. A very intelligent young woman with a devious imagination.

Louisa was really spectacular in the scene, and she played the role of an obedient submissive slave with a natural flair. Without going in to too much salacious detail, I had my wicked way with her, including a thorough spanking and corporal punishment, bondage, nipple clamps and body worship. Louisa's gorgeous body is highly responsive, and I especially enjoyed teasing her with toys. All in all, incredibly hot.

My time with Louisa far exceeded my (already quite high) expectations. A bright, breathtaking young woman who I would recommend in a heartbeat.
