The Premises:

Basement flat that was untidy and not particularly clean.

The Lady:

Billed as a 22 year old Polish blonde with a 36c-25-35 figure. She looked younger and could pass for 16 in the right light.

The Story:

Debbie's seems to have attracted rave reviews so I thought I would check it out. Madonna is the Saturday girl, Debbie works Monday to Friday's. I had to wait over 20 minutes to see her in a dingy basement flat and I felt like leaving immediately. Madonna was worth waiting for though. She was very beautiful and cute, like an innocent schoolgirl. I opted for the assisted shower. Imagine being trapped in small shower cubicle with a beautiful girl rubbing liquid soap all over you and into every crevice and then being asked to return the favour. If that doesn't get you going then nothing will. Then into the bedroom and a long and decent massage. Then on with a rubber and a long sensuous BJ. Glancing at her beautiful shaved pussy she offered 69 without batting an eyelid, followed by sex in 2 positions.
