The Premises:

A modern flat between Liverpool Street and Shoreditch. The entrance was very discreet and the room very clean and modern.

The Lady:

A petite and pretty East European girl in her early twenties. She was wearing a pink Basque and matching panties when she let me into the flat.

The Story:

I enjoyed my session which was enhanced by the modern flat. Kristall has a nice figure, but her breasts were very soft owing to her recently giving birth. She gave me uncovered oral to commence and I believe uncovered was an option. We continued to sex in the doggy position and then she finished me with a slow handjob.
