### The Story:

I arrived on time but was asked to wait, I didn't mind as I had a chance to calm down as I was rather nervous. The shout comes and off I trot to the room, I got naked quick and channel entered the room like a whirlwind, such a nice genuine girl who looks better in the flesh. She gave my back a quick rub and started playing with my balls, which I enjoyed. I am going to leave it there as its for me to know and for you to find out!!! Needless to say that she is totally worth it! Great time had by me. Thanks very much indeed!!!
