### The Premises:

I prefer HOD1 but have no complaints about HOD2

### The Lady:

Photos are accurate; very attractive, great breasts

### The Story:

Serena is a bit too quiet for me, almost certainly because her English is not great. Also a little too business-like. I prefer a hug and kissing to start but Serena wanted me on the bed immediately, and after a thorough wipe of my cock (I have no problem with that but wait till I am erect please!) it was in to quite energetic OWO. Actually a bit too rough for me. I asked to kiss her breasts and lips, which she allowed, but was soon back to the OWO. Eventually on with the condom but I was now starting to wilt a bit so was only half erect now. Attempted cowgirl but I had got too soft. I decided to change tack completely and asked for a massage. This was very good, including some Body to Body which I really like. Now erect again, she was keen to go back to OWO, but after a little of this I asked her to just wank me off which she did with the help of the massage oil to my satisfaction. We were kissing on the mouth the whole time, which was lovely despite no tongues. I will not see her again, it was just too much hard work for me, and I will give a neutral recommendation as others may click with her better than me. Her attitude is fine though, she is a nice girl, just possibly not a natural at this.
