The Story:

second time of seeing louise this year and can't recommend her enough once I had showered we lay on the bed having a little chat her hands moved all over my body then we began to kiss while she wanked me off then she moved down for a great blow job I came, some girls remove their mouths and switch to their hand not louise she carried on sucking and swallowed the lot. while I recovered for round 2 we talked about this and that she constantly played with my cock then back to more kissing louise is great at this then a second great blow job louise is highly recommended and I will be definitely be seeing her again
