The Lady:

As her pictures show, she is stunning. She is tall, her legs just keep going. She is very slender and a gym bunny. Soft smooth skin, all over tanned, and very pretty face.

The Story:

I've been seen different girls at HOD for a little while, and I have seen Valentina before, however I only decided to share my experiences here lately.

I was pleasantly surprised by how sexy Valentina looked since I'd saw her. She walked directly to me and we started kissing standing in the middle of the room. My hands groping her arse and her hands round my neck, chest and back. Both got really horny, she seemed to really appreciated and enjoyed her self. She got really turned on with me kissing/sucking her neck and tits. Began kissing me on my neck and chest within no time I was rock hard. Removed her bra, still standing she works her way down my body kissing all the way. Lower's my boxers with her teeth then starts to give me some owo. Great technic slowly wanking the bottom whilst sucking the top.

Moved onto the bed, more deep french kissing, then she works her way down to give me a wet sloppy BJ. Ball sucking which had my toes curling (honestly). Sight of her spit running down my cock was just amazing. Used her tongue like a pro licking up and down my full length saliva all over the fella.

Started to kiss my way down her body removed her panties then began to lick her clit. She gets really wet had her moaning and growning, her whole body shuddered after a few minutes of me going to work. Legs firmly wrapped around my neck, fingers running through my hair me still muching away 69 next for a few minutes then her on top, she surely know how to ride a man. Hands wrapped around each still riding me good. More DFK sooo hot!! Switched to doggy went quite hard to be fair at times, she's very vocal turned me on so much I cum soon after. Collapsed on the bed and contined kissing passionately. (sexy)

Good conversation, actually her English is perfect, made her laugh loads, throughly enjoy her company. More kissing, 69 and frantic sex in missionary, doggy, cowgirl and spooning (had her almost screaming at times). She said I wore her out, and she even thanked me for a really good time (arhhh). Awesome hot steamy encounter with a very horny Brazilian Lady.
