The Premises:

Usual Ego Massage place, with car park right outside. Inside, I had the 2nd largest room upstairs.

The Lady:

Much has been written of Angel on this website. She is tall, slim, very pretty and with amazing breasts. If anything, she's almost too perfect!

The Story:

Great massage from Angel, including some new treatment techniques I haven't experienced at Ego before.

Body-to-body was wonderful and Angel made me feel really special. Angel worked hard for the ending and it was great!

In summary, Angel was very nice. However, for me she doesn't quite de-throne Poppy as the top Ego Massage provider. However, Angel really is beautiful and an hour in her company is a great treat.
