The Premises:

Normal Annabella set up. My second visit of the day. The first time, top floor, the stairs are a pain. This time large spacious first floor room.

The Lady:

I have met many pretty girls, French, Brazilian and Iranian
But none as beautiful as Tatiana, the lovely Romanian.

The pictures are accurate, Tatiana has a gymnasts body. It is incredible. Shapely legs, pert bum, and the pettiest pussy you will ever see. But beauty is often reflected in an expression, in the eyes, in a smile, and in this respect Tatiana is truly beautiful young woman. She has a warm aura about her, which reinforces her outer beauty.

The Story:

Tatiana was today's advent girl. She came into the room wearing festive red bra and knickers and candy cane red and white long socks with a red bow at the top.

I had a little gift bag for her, with a card, her payment, a short verse and 3 bars of chocolate. Advent girls tend to have to rush between jobs, and don't get a break, so I thought i would give her some chocolate to mhnch, and provide some energy.

I explained, that I had already visited Annabellas earlier in the morning and wasn't sure whether I would be up to it. (Tbh I don't why i thought i could handle 2punts in a day). Anyway, we cuddled, we kissed and I was erect immediately. Standing next to her body, feeling her lips on mine, and I was hard, before we were even naked.

The next 30 minutes were a bit of a blur. Tatiana is incredibly inventive, she teases, she twists, she turns, she places herself in positions i didnt think were possible. Every new position maximises pleasure.

She nibbled my ears. How did she know how much I love this. Reverse cow girl was exquisite, as she leaned forward the view of me entering her pussy, and seeing her butt hole open up. Absolutely incredible view.

Then when she turned around I entered a new beautiful place.

looking into those eyes, sucking her pert breasts as she rode me with mounting enthusiasm

Then the oral, out of this world. She positioned herself so i could finger her. Then 69. Her clit is very responsive. She told me she came. I was unaware, I was in a different sensory world. I told her Tatiana was the fairy queen, and asked her if i was dreaming. "No, I am real" she replied. Oh what fun, fhcking, kissing, sucking, licking, nibbling, teasing, smiling. Thank you so much Tatiana. I have had some great punts at Annabellas and this is up there. I hope you enjoy rest of Advent and Christmas.
