The Lady:

Tara is a lovely British girl - average height with dark hair. She is now about size 8 : much slimmer than shown in her photos.

The Story:

I have seen Tara before, but this was the first time since she returned to Annabella's a few weeks ago.

She came into the room and said my name immediately. She was obviously so pleased to see me again. Of course I was also very pleased to see her again! This really felt like long lost lovers meeting again.

We started with some lovely kissing. Then she stood by the bed, facing me and took all her clothes off.

Some more kissing, then she wanted me to lick her pussy. She loved this and she raised her legs around my head as I made her cum. Then she gave me oral without-gentle and lovely, taking care not to make me cum too soon. This made me ready for sex, so time to put on the condom. I asked her to get on top, facing me and we had lovely quite vigorous sex. Then she gave me a massage on my back, followed by me massaging her back and kissing her ear.

During all this activity Tara kept on saying pleasant things about me and how she was enjoying it.

A really loving experience!

As mentioned earlier Tara is now much slimmer than shown in her photos: she would probably like some new photos.(Her twitter photos were great.)

Thank you Tara. I will see you again soon. xx
