The Premises:

Clean, new apartment in Woolwich. 10 minutes or less from the station. Second of the bedrooms. Previous visits have been to the other bedroom. No difference really. Toilet/bathroom clean.

The Lady:

From Shanghai. Maybe mid 20s? Woman on the phone said she was a new girl. 5 foot 3 ish I guess. Quite generous boobs! Black, shoulder length hair. Clean and fresh. Spoke some English. Nice legs too. Very smooth skin.

The Story:

Said our Hellos then I removed my clothes - myself. Mimi got her kit off meanwhile. She asked me to lay on the bed face down and asked if I wanted oil for the massage. No! Always seems to take several baths/showers to get rid of oil residue. Light dry massage then turned me over. She asked if I wanted oral with condom or without. I chose OWO which resulted in an extra £10 on the £90 hourly rate. She cleaned me off with wet wipes and gave me some light OWO. Very pleasant. After a while she took out a condom and suggested sex. I asked her to stand up instead and knelt down in front of her to suck her large nipples for a while. I asked her to lay down and kissed her stomach and legs and then started DATY. Nice pussy. After a while she seemed to come. Swapped around and I lay on my back whilst she applied the condom and did cowgirl for a while. Not that long as was bouncing rather too vigorously for my taste. She lay down and we did mish. She seemed to enjoy this and likely came again. Then into doggie and seemed to enjoy that too. I was a little unsure as to how I intended to finish but the doggie seemed to be doing it for me so I finished off there. Lots of laughs and smiles as she wiped me up. I got dressed and left. Nice girl.
