### The Premises:

Short walk from tube station. Quiet street, very discreet, answers the door herself, once invited inside, taken straight to room to discuss meeting. Offered shower and a drink straight away and shown facilities. Was made very welcome.

### The Lady:

When Emma opened the door you realise straight away the great pictures on her website are only bettered when you meet her face to face. Absolutely stunning young lady with lovely eyes and an unbelievable figure. Mid/late 20s, Great legs, Sexy smile. Very polite and well mannered.

### The Story:

Little bit nervous when first knocked on door but when Emma invited me in, was shown all outfits and accessories and immediately put at ease. After discussing scenario I wanted with Emma, it was amazing how quick you get your confidence. Emma then left room and returned a few minutes later in the outfit I requested, a nice tight blouse with a short skirt and heels, with very sexy underwear. I was stunned by her appearance, and was amazed she was immediately in character in the role play I asked for. I asked for bondage, with Emma being tied up and struggling. Session ended how I wanted it to end, which was fantastic. Had a shower before I left. Have tried other places but this was by far the best. A great experience, and ill be back down to see her in very, very near future. A great morning, and well worth travelling down for. Highly recommended.
