### The Premises:

Clean nice block of flats near centre, parking cheap.

### The Lady:

Nice body, eyes and lovely hair. Too many tattoos and implants which are a put off and not as pretty as her pictures - photoshopped.

### The Story:

Wasn't my 1st or 2nd choice - Arrived on time but she came in late, nice suspenders and bra. Quick peck on cheek and paperwork done. Asked for more kissing only with closed lips so ok then stripped off lay on bed then straight to BJ, not the best but got me hard. I noticed she kept an eye on the clock so asked if everything was ok to which she replied "having a bad day!!" Straight into sex no kissing and it was fast to finish. Cleaned up had a chit chat.

I've seen Marssa a couple of times and not 1st choices and both times I feel she doesn't like what she is doing. I don't tend to put reviews but thought I would warn you all, She is a nice person but not the best WG I have seen and there are nicer ones at Annabellas so try them first.
