### The Premises:

Very nice modern flat near Paddington.

All facilities excellent - shower very efficient plenty of gels, etc

Bedroom itself spacious and very well kept - Tess had made an intimate atmosphere with soft lighting, candles and music.

### The Lady:

Beautiful - and I mean beautiful.

Tall (5'7") long legs, slim, well toned body, lovely shoulder length blonde hair - much better than the photos.

Very well groomed, smooth, divine perfume - immaculate.

Wearing a short dress, stockings and suspenders - she'd gone to a lot of trouble to wear exactly what I requested - and that doesn't happen very often - a tribute to the professionalism of Top Secret who passed on every detail of my requirements.

### The Story:

I had seen Tess before so was greeted by a very welcoming kiss and embrace.

She's very intelligent and chatty, sensitive to your needs and instinctively knows how you want to proceed - in my case gently with a long build-up. I'm not a wham-bam merchant but it that's your deal, then I'm sure she would accommodate.

You can tick off all the requisite skill sets: excellent kissing, sublime OWO - very deep, and sex in any position known to man - doggy being her stated favourite.

Everything on her list supplied with style, energy and flair.

Impossible to fault her, actually - in particular her fantastic, positive attitude.

This encounter was a while ago and she's away now, but happily returning in the New Year (smiley face!) and I'll be pressing her buzzer, so to speak, as soon as I get the chance.

A wonderful girl and an experience not to be missed.
