### The Premises:

Sheffield's red light area. Premises on main road with ample parking. Rather disappointingly drab interior but the place is clean and the ladies very welcoming. The room I saw was clean and tidy, as was the shower.

### The Lady:

Kendal is about 5 foot six inches and is petite. She is English and has lovely smooth skin. Kendal is about 20 and very athletic. She is very pretty and put me at ease quickly, offering me a massage after I had showered.

### The Story:

Kendal now removed her fancy lingerie and I turned onto my back as she caressed me with her hands and allowed her breasts to brush over my chest as she kissed me all over my torso. Her nipples were like hard buttons and I commented on this and she just giggled. She has small but beautiful boobs which makes me think she may be just 18. Reading my mind, she told me she was considering a breast augmentation so I told her to get a good doctor/surgeon as I know a few girls who regretted having it done.

She began to give me OWO and I did not want to climax too soon so I asked her to ease off! She replied 'in that case why don't you give my pussy some attention!' I buried my head in her shaven pussy, soon finding her clitoris and giving it a tongue lashing.

I think her moans of delight were genuine!

I then asked her to come on top of me and so on with the condom. Kendal found it tricky to put it on and commented on my thick dick. I took no offence as I am not an expert on other mens' dick sizes and she probably is!

She ended up giving me some lovely oral and I finally exploded. A great half hour!
