### The Lady:

A curvy Hungarian girl with 36DD breasts.

### The Story:

Oh my how Stratford has changed since my previous punts. This was a stress relieving punt because the full body massage was very firm.

There were no caresses to arouse me, but when you turn over and have those big double d's with large, pale pink areolas in front of you it soon does the trick. They are so firm and heavy. It was a pleasure playing with them while being stroked to a climax.
