The Story:

On arrival, rang the bell. Owner pointed to a seat in a passage way. It had a few magazines.

Made to feel like a therapy place. So you feel relaxed.

I was a little nervous.

Paid £70 for full works.

Started with a back massage for 5 minutes, then rubbed her tits down my full back, then asked me to rollover. She climbed on top and let me suck her nipples. After a few minutes she ended up letting me watch her play with her pussy I kissed her thighs, I asked to lick her but not allowed. After about 5 mins she asked what my favorite position was which I replied doggy...she said I like it on top so will do that first but to be honest I was done before she got round to doggy... Ah well!!

Good 30 minutes if you fancy that if ur in Leicester....
