The Premises:

Discrete entrance. Always nice to visit with good furnishing and lovely and efficient receptionist.

The Lady:

Ebony is a full bodied black lady who was very well made up and smartly dressed with her lovely big boobs already largely in view.

The Story:

I had a really a good time with a lady who is probably new to escorting but she knows what her customers want.

An energetic oral (didn't pay the parlour extra for without) before I WAS able to explore her big soft breasts and classic big booty.

The sex was very enjoyable with Ebony raising her legs and me running my hands over her the backs of her thighs.

Finished with an oily handjob.
