The Premises:

Overpool Angels is above a row of shops, it's the most discrete parlour in the area, only overlooked from a few houses and the sandwich vans. Nice & cosy flat once you get inside. No working shower though.

The Lady:

Mid 30's brunette with a slim sexy body.

The Story:

This was my 2nd visit to see Nicole, as this parlour is quite local for me. She's a great girl who gives a passionate service, lots of really enthusiastic kissing with her tongue right down your throat.

Straight into snogging when she came in the room. Stripped her basque and knickers off and jumped straight on the bed for more kissing then a 69, including licking her pussy and tight arsehole.

She then jumped on top for a good bunch on my cock, then onto missionary for a fuck and kiss. Came whilst staring into her eyes and kissing.

Great session, great girl.
