The Lady:

Jenny is stunning, quite tall, slender, long blond hair, beautiful rosebud breasts with suck able nipples, freshly shaved below. My idea of the perfect looking lady

The Story:

I booked to see Jenny having met her when I was introduced at the same flat when I visited another girl, she gave me her phone number and seemed keen to see me. However when I arrived I was told that I could only stay for 30 mins (I normally prefer an hour) she was dressed in sweatshirt & jeans and quickly removed them and her other clothes, to reveal an exquisite body. I wasn't allowed to kiss her lips or her pussy, I was allowed to gently stroke the outside of her pussy and kiss her beautiful nipples. Sadly this beautiful lady gave nothing hardly moved, just went through the motions mechanically. I should point out that her profile indicates kissing and other services not offered. She really gave the impression that this was an unpleasant experience for her. Such a pity as she really has the most delightful body. I don't think I stayed the 30 mins and was pleased to get out.
