The Premises:

Fifth visit to this excellent establishment which is well managed in a quite location its very clean with friendly receptionist,the rooms are spotless with good shower facilities.

The Lady:

First time I had seen Kristi and she is absolutely gorgeous ,lovely personalty very friendly and is happy to chat as she goes about her work ,she really made me feel at ease.I must mention that she has a fabulous body which made the B2B sublime.

The Story:

Best visit to Ego yet fantastic massage just the right pressure on the back for the first half hour then I was invited to turn over and be thoroughly spoilt by Kristi as she gently worked on my front .With time progressing she moved to the nether regions to stimulate the blood flow in preparation for the grand finale , she was not adverse to gentle touching / caressing of her fabulous body.Overall an amazing 60 minutes attention from a really lovely lady ,be clean (showered) respectful and you will have the best time ever,I cannot wait to see her again.
