### The Premises:

Ground floor flat good bedroom shower unit needs an overhaul

### The Lady:

Pictures flatter but busty girl

### The Story:

Other half of duo (see concurrent Renatta review)

Immensely disappointing.

Turned up 15 minutes late

Contrary to profile no French kissing, owl, two girl interaction limited to sucking nipples and receiving oral.

Had to be prodded into any kind of action with regular interruptions killing any momentum.

I have had a great run of threesomes and had to hit a loser sooner rather than later.

In no way does this reflect the good service received from Renatta
