The Premises:

Multi-room, clean apartment close to Lancaster Gate. Looks like the lady actually might live there. Adequate shower over bath with clean towels and some men's toiletries....nice touch

The Lady:

Attractive lady, probably in her mid-40's. Profile photo's a few years old but close - the one where she is dressed as a "business lady" is a good likeness. Golden skinned, fantastic bottom and great, firm natural breasts

The Story:

Great comms - very easy to book. Guided to location on the day. Chatted in her living room before heading for a shower. Walked into her bedroom to be greeted by her dressed in some stunning French lingerie. Lots of kissing to get in the mood. Great OWO and 69 - I reckon the lady could suck a golf ball through a straw. Introduced me to the delights of prostate massage with an oily handjob. Sex was great - very tight and the sight of her sat astride you in black stockings whilst bouncing up and down is a sight to behold. Fantastic arse to grip and a visual treat in doggy position. Great company between events.
