The Premises:

Clean, safe 1 bedroom apartment near Gloucester Road tube. Just off a main road so very quiet and discrete. Decent shower room. Clean towel provided. Great mirrored wardrobes in bedroom for "viewing".

The Lady:

A lithe, toned, tall Amazonian of a woman. The photo's are a little airbrushed but a very good likeness. Stunning. Nice (enhanced) breasts

The Story:

Busy lady....not easy to get hold of but worth the effort (phone and e-mail). Met her at tube station and chatted as we walked to her place. Not much to add to the other reviews. Fantastic kisser, awesome OWO and amazing first rimming experience for me. I will remember the sight of her bending over forwards, slowly removing her thong to reveal a pert bottom and shaven pussy lips between for the rest of my life. Really looks after you during your stay. Creates the impression that you are the centre of her world. Can talk and fuck for Britain. Very nice, beautiful lady....treat her with care.
