The Premises:

A small upstairs flat with a discreet intercom entrance situated about a 5 minute walk from Victoria tube station.

The Lady:

A curvy Italian girl with voluptuous DD cup breasts.

The Story:

This was a massage/relief service which was accentuated with good conversation. The full body massage with oil, performed on the bed, was really relaxing. There weren't any caresses or cc swipes and the conversation being so good distracted from the sexual nature of the visit. This was rectified when I turned over and saw Maya's really splendid breasts. They were so heavy and yet firm. It took a bit of effort to get me over the line because the massage had made me a bit sleepy.

I think there is a polish girl who works at the same address.
